Research funding at the Queen’s Nursing and Health Research

AMS Phoenix

Canadian Association of Schools of Nursing (CASN)
Wilson, Sawhney, VanDenKerkhof, Edge, Goldie, Pare. CASN Development and Mobilization of Appropriate Prescriber Practice Competencies for Controlled Drugs and Substances into NP and RN Education Programs. Nurse practitioner prescribing of controlled drugs and substances for individuals with complex and chronic disease: Development of an e-learning resource. $33,900. Funded

CIHR
Catalyst grant – analysis of CLSA data
VanDenKerkhof, Gilron, Janssen, Tranmer, Woo. Can modifying lifestyle risk factors prevent chronic pain and its role in developing cancer and heart disease. CIHR Catalyst grant: Analysis of CLSA data. $65,978 – under review

Project grant program
Gilron, Dongsheng, Milev, Jackson, Clayton, VanDenKerkhof. PAin Improvement with Novel Combination Analgesic REgimens: The PAIN-CARE Trial. CIHR Project Grant Program $478,000.

Tranmer, Edge, VanDenKerkhof, Birtwistle, Dahrouge, Glazier, Green, Lukewich, Williamson. Primary health care team composition and health outcomes of patients with chronic health conditions. CIHR Project Scheme. $550,000. Under review.

Tranmer, VanDenKerkhof, Edge, Lukewich, Huras, Green, Birtwhistle, Glazier, Donnelly. Primary healthcare team composition and health outcomes of patients with chronic conditions. CIHR Project Scheme. $590,000. Under review
Tranmer, Rosella, Smith, Shah. Shift work and cardiometabolic risk: A population based study of the different and similar relationships between shift work, diabetes and hypertension among men and women. CIHR Project Scheme. $355,000. Under review.

Vandyk. A., Kaluzienski, M., Gilmour, M., Goldie, C., Graham, I., Kronick, J., Stokes, Yehudis, MacPhee, C., Ross-White, A. A knowledge synthesis and integrated knowledge translation project on interventions to improve emergency department use for mental health reasons. CIHR Project Grant Fall 2016 – under review

SPOR – Knowledge synthesis
Tranmer, Lukewick, Huras, Custers, Asghari, Edge, VanDenKerkhof, Braithwaite, Birtwhistle, Ross-White, Chubbs. Evaluation of primary health care integration strategies for adults with chronic conditions: A systematic review. CIHR-SPOR Knowledge synthesis grant. $48,000. Funded

SPOR Networks in Chronic Disease
Buckley, Chambers, Diatchenko, Frachette, Gilron, VanDenKerkhof, Duggan, Ghasemlou et al. Caring for patients with chronic pain: Connecting patient needs with research and treatment across the lifespan. CIHR SPOR Networks in Chronic Disease. Chronic Pain Network. $12,450,000

Gilron, Dongsheng, Holden, Milev, Jackson, Towheed, Diatchenko, Ghasemlou, VanDenKerkhof, Duggan. CADENCE – Combination Analgesic Development for Enhanced Clinical Efficacy. CIHR SPOR Networks in Chronic Disease. $465,000

Travel Awards – Institute Community Support
Sawhney. Using standardized patients to educate Registered Nurses on how to safety assess the administration of epidural analgesia. CIHR Travel Awards -ISC (Summer 2016). $1,500. Funded

eCampus Ontario

Purdy, Sears. Patient Safety and QI Methods and Tools for Nurses. eCampus Ontario. $95,077.20

Stockley, Flynn, Sears. Patient Safety and QI Methods and Tools for Nurses. eCampus Ontario. $15,284
Tyerman, Luctkar-Flude, Tregunno, Schraa, McParland, Peachey, Lalonde, Egan, Chumbley. Cost Utility of Using Virtual Pre-simulation Preparation in Nursing Education. eCampus Ontario Research and Innovation Grants. $100,000. Funded

Internal funds

Fund for Scholarly Research and Creative Work and Professional Development (Adjuncts)

Pulling, Goldie, Luctkar-Flude. Evaluating the use of a multi-platform classroom response system in undergraduate nursing classrooms and the clinical simulation lab. Queen’s University Fund for Scholarly Research and Creative Work and Professional Development. $5,000. Funded

Queen’s University Principal Development Fund

Medves. Queen’s University Principal Development Fund. International Visiting Scholars (Dr. Craig Lockwood, Joanna Briggs Institute). $3,000. Funded.

School of Nursing Research Development Fund and Freda Paltiel Award

Camargo Plazas. Understanding how the social determinants of health affect the experience of access to healthcare services in immigrant and refugee individuals with chronic illness. Queen’s School of Nursing Research Development Fund. $5,000. Funded.

Goldie, Tranmer. Examining sex-based differences of depression before myocardial infarction. Queen’s School of Nursing Research Development Fund and Freda Paltiel Award. $2,500. Funded.

School of Nursing Research Initiation grant

Camargo Plazas. Understanding how the social determinants of health affect the experience of access to healthcare services in immigrant and refugee individuals with chronic illness. Queen’s School of Nursing Research Initiation Grant. $15,000. Funded.

Summer Work Experience Program (SWEP)

Tranmer, Duhn, Goldie, Luctkar-Flude, Sawhney, Almost, VanDenKerkhof. Queen’s Nursing and Health Research (QNHR) Intern. Queen’s University Summer Work Experience Program. $26,107. Funded
**Queen’s University/Health Sciences funding**

**Tranmer, Aronson, Smith, Rosella.** Queen’s Garfield Kelly research grant. Determining the risks associated with shift work and incident hypertension in Ontario adults: a population based study. $10,000. Funded

**Ministry of Health and Long Term Care**

**Applied Health Research Questions (AHRQ)**

Campbell, **VanDenKerkhof**, Brogly, Lajkosz, Grant. Queen’s Orthopedic Department. Mortality and Revision Rates of Morbidly Obese Total Knee Replacement Patients. Ministry of Health and Long-Term Care/ICES Applied Research Question

**Health Services Research Program**

Bryant-Lukosius, D., Donald, F., and CCAPNR investigators (**Tranmer**). Building capacity to evaluate the implementation and impact of innovative health provider roles in new models of care. MOHLTC – HSRF Research Program. Under review

**Ministry of Training, Colleges and Universities**

Pilon, **Sawhney**. Complex Case Study for Roles and Responsibilities: Primary Health Care Nurse Practitioner Program. Ministry of Training, Colleges and Universities 2015 round of funding for on line course development a Shared Online Course Fund. $21,000. Funded
Women’s College Hospital

Publications at the Queen’s Nursing and Heath Research

Dissertations and reports
