Primary Health Care Nurse Practitioners (PHCNP) Course Lecturers

***Please see the Application Procedure section at the end of this posting for application requirements and submission methods***

NURS 853 PHCNP Roles and Responsibilities

Compare and contrast advanced practice nursing and related frameworks to develop, integrate, sustain, and evaluate the role of the nurse practitioner within primary health care. Critically analyze and develop strategies to implement advanced practice nursing competencies with a focus on the community.

Lecturers to co-teach this distance-delivered course to students in the Ontario Primary Health Care Nurse Practitioner Program in the 2018-2019 Fall and Winter terms
